# PRESS RELEASE

## LM Capital Group Selected by The Ohio State University for Management of \$25 Million in Assets

**San Diego, June 14, 2010:** LM Capital Group, LLC, a leading San Diego-based fixed income investment manager for institutional clients is pleased to announce their recent selection by The Ohio State University (OSU) to manage \$25 million in OSU assets in the Short Term fixed income strategy. The choice of LM Capital Group and the Short Term fixed income product exemplifies OSU's objective for maintaining sufficient flexibility in capturing investment opportunities while ensuring prudence in the execution of the investment program.

**About the Short Term Fixed Income Product:** LM Capital Group's Short Term fixed income portfolios generally consists of securities with less than 5 years in maturity and are comprised of Treasuries, agencies and investment-grade corporate issues.

LM Capital Group's philosophy is centered on the belief that money is a commodity whose price, or interest rate, is governed by the laws of supply and demand, and that global economic, political, and social factors significantly influence this equation.

**About LM Capital Group, LLC:** LM Capital Group, LLC was founded in 1989 by Luis Maizel and John Chalker to provide fixed income investment services to the institutional investor. By utilizing a long term macro-economic, fundamental investment approach to assemble fixed-income portfolios, LM Capital has been successful in providing clients with the most attractive fixed income investment opportunities available. The firm is a 65 percent employee owned minority business (Hispanic), employed by public agencies, corporations and foundations nationwide. LM Capital Group manages \$4.34 billion in four fixed income strategies: Short Term, Intermediate, Active Core, and Opportunistic Core (Core Plus).
