LM Capital Group Awarded Top Guns Designation by Informa Financial Intelligence

San Diego, CA May 19, 2021- LM Capital Group has been awarded a PSN Top Guns distinction by Informa Financial Intelligence's PSN manager database, North America's longest running database of investment managers.

LM Capital Group was honored with a 5-Star Top Gun rating for its Strategic Core Fixed Income Strategy in the PSN Intermediate Core Universe.

"It's an honor to be recognized with the 5-Star Top Gun rating," said LM Capital Portfolio Manager Mike Chalker. "This award validates our Strategic Core strategy which is based on our top down, global, macro-economic based investment process augmented by careful security selection."

"The key to our success was in the duration and sector allocation decisions which are driven by an experienced team of portfolio managers and analysts," Chalker continued.

Through a combination of Informa Financial Intelligence's proprietary performance screens, [*PSN Top Guns](#) (*free registration to view Top Guns) ranks products in six proprietary categories in more than 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Financial Intelligence is part of Informa plc, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Gun firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time.

LM Capital Group's Strategic Core strategy was named Top Gun 5-star rating in the PSN Intermediate Core Universe achieving r-squared of 0.80 or greater relative to the style benchmark for the recent five-year period. Moreover, the strategy's returns exceeded the style benchmark for the three latest three-year rolling periods. Products are then selected which have a standard deviation for the five-year period equal or less than the median standard deviation for the peer group. The top ten returns for the latest three-year period then become the 5 Star Top Guns.

“Congratulations to LM Capital Group for being recognized as a PSN Top Gun,” said **Ryan Nauman, Market Strategist at Informa Financial Intelligence’s Zephyr**. “This highly esteemed designation allows us to recognize success, excellence and performance of leading investment managers each quarter.”
